THE LADY LIFE LLC.

PROFILE

If there is only one thing you need to know about me, it is this – I believe that intentional living is the concept that gets ladies moving towards becoming the best version of themselves over and over again. I have 12 years experience of working with women and girls in mentorships and coaching. I am the creator of several influential initiatives, products and services geared toward helping ladies to transform into a whole and total version of themselves. I created my latest products to help passionate ladies in their transformation processes. I help them to become their best in their thinking, health and entrepreneurship endeavors. As an influencer I help them to create a life they will love mind body and soul.
